Week**
6—10 Nov

Stand up week - Stand up awareness week Nov 6th - 10th. Celebrating our uniqueness by wearing coloured jumpers on Friday 10th Nov. We are sending a message that at Rosmini we are against all forms of bullying and want to create a safe space for all. <https://www.belongto.org/standup/>

Geography week - 6th - 10th Nov. There are lots of activities going on this week. Keep an eye on the JC newsletter for details.

Geography awareness week was created by the National Geographic in 1987. The aim of this week is to highlight the importance of geography beyond the classroom. It is a chance for class groups to engage in activities they may not get to do everyday. This week in Rosmini all year groups got involved in a variety of fun activities. We had scavenger hunts, classroom 'relay races', engineering earthquake proof buildings challenge, quizzes, trips out, daily 'Worldles' and lots more. Well done to all the students who made it such an enjoyable and successful week.

Temple street - We had a coffee morning on Thursday 26th Oct for Temple Street and students dressed up on Fri 27th Oct to raise money. Thank you to everyone for supporting this. We raised €264,40
